

British

Academy 1972

Hi, nice to meet you.

British Academy 1972

We are the digital native English language school franchise, which makes it possible to transform a complex activity with intensive know-how, into an activity that is extremely simple to manage in one's daily life.

Training

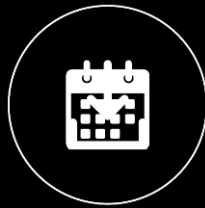

We guarantee you an individual and personalized learning plan according to your needs, your goals, your availability.

Certification

We offer you the possibility of certifying the skills acquired with a linguistic certification issued by institutions recognized by the MIUR.

BA72Manager

We put at your disposal the tool that will allow you to manage your journey and access all the resources you need.

How it works.

The solution that offers you The Course, the pre-produced video courses British Academy 1972, 50/60 lessons to increase your level by one level.

BA72ONDEMAND

See you.
